Neeley read the following email that was received from swim teacher Mary Beth Anderson:

My name is Mary Beth Anderson and I coach the High School Girls and Boys swim teams. I also coach the Evansville Blue Sharks during the summer. With our new pool opening this spring, I have a few questions I would like to get answered before then. I would like to amp up things for our swim team. I think that we will be seeing an increase in interest in the Blue Sharks.

I would like to be able to have a total of 3 hours for practice for the ages 6-18. I would also like to add another program for the kids that can't quite make it across the pool and just need a little extra boost. Last summer I had 76 kids on the swim team and that was a low year for me. I see the team being well over 100 swimmers this summer.

I would like to hire 2 assistant coaches. I believe that would help us become a better team and more competitive and also have a lifeguard on deck during practices. I would like to ask to also purchase a few things for the running of this program. I would like to purchase 2 Deck Standing Pace clocks (Competitor 37in. Battery Powered Pace Clock \$735-Swim Outlet), Colorado Infinity Starting system (Kiefer Aquatics \$1,159.60), Active HyTek Meet Manager and Team Manager (Meet Manager \$499, Team Manager \$395). This software helps organize and run meets efficiently. I am hoping to host more meets at our pool which means that we will need to order ribbons (est. 300 ribbons/\$100) and maybe medals if we hold a larger meet with multiple teams. We are in need of at least 8

stopwatches to run the meets, 8 clipboards, a bullhorn, 2 sets of backstroke flags. Of course I would also like to have a laptop assigned just for the swim team. There is a lot of work that needs to be done off deck with running the team and the amount of meets that I would like to have the kids doing.

Please let me know if you have any questions.

Thank you so much
Mary Beth Anderson

Poock credited Anderson's ideas and requested to see the list of items with links on the website.

6. Park's Report

Neeley reported on status of True Green Quote

Discussion occurred regarding Geese/Swan decoys (3 sets)

Prudhon would also like to consider the idea of using natural grasses and adding more docks.

Discussion occurred regarding new opportunities for Leonard Leota Park including karaoke/canoe rental vs storage and the park store.

Questions arose regarding the status of the Park & Recreation Director.

Leah Hurtley was in attendance to discuss City League Baseball updates.

7. Old Business

A. Aquatic Center, Splashpad, and Park Improvement Updates

B. Aquatic Center Donation Appreciation

C. Ice Rink

Prudhon spoke in favor of the change in the move the ice rink to Lake Leota

8. Upcoming Meetings

A. Tuesday, March 19, 2024 at 6:00pm

9. Motion to Adjourn, by Poock at 7:30pm.

Here are the 2 sheets of site/draft plan (subject to change) for Sunday, September 15, 2024, will put tent up Saturday and take down Monday. They will be calling to meet with Dale & Ray when it gets closer which is why plan is subject to change. They did this ride back in 2013 from Evansville also.

Tess Romanski from CSA Coalition spoke to the committee about the bike ride starting and ending at Lake Leota Park on September 15, 2024. This is the 16th ride the CSA Coalition has done and they are expected to have 800 riders participating in this ride. There are two different routes riders can take 35 miles or 60 miles. The riders will be visiting four farms on the route Winter Fell Acers, TP Produce Farm, Still Point Flower Farm, and Uwalay Farms. Goes from 8 a.m. to 6 p.m. with staggered starts at 9 a.m. & 10 a.m. Tess Romanski says they cap the riders at 800. Chief Reese and Chief Kleisch will meet the CSA Coalition later to go over the routes and safety issues.
