## Staff Memo

To: Public Safety Committee

From: City Clerk's Office

### RE: Issuance of Temporary Class "B" License in Regards to a DBA Name

#### Background

City staff has received inquiries regarding the ability to deny the issuance of a Class B Beer/Class B Liquor License based on the business name of an establishment. Specifically, these inquiries were as part of Whiskey Throttle Bar, Grill & Pizzeria Inc.'s business name. The clerk's office researched City ordinances and State Statutes that regulate alcohol licensing. Of specific note:

- The Public Safety Committee, along with Common Council, is entrusted to promote the safety and well-being of Evansville residents and visitors. Per (Pub 302 WI Alcohol Beverage & Tobacco Laws for Retailers-December 2016, Sec IV) A license is a privilege. Municipalities have the right to approve or deny alcohol licenses based on their best judgment, but cannot be unfair or discriminate. Additionally, The Committee may at any time add conditions to this agreement as it deems necessary for the health, welfare or safety of the community. The council may waive any of these requirements. (Sec. 6-36(d)(1)(b)(5)) Municipalities have the right to approve or deny alcohol licenses based on their best judgment, but cannot be unfair or discriminate. With that being said, the board should exercise caution when evaluating a new business owner Doing Business As (DBA) Name, to prevent any discrimination possibly leading to any unfair treatment. It is recommended the committee and council to examine other business names in Evansville to avoid any discrimination or unfair treatment against the said applicant.

#### Public Safety Commission Actions:

- The Committee can recommend the license, as submitted, Common Council will review the application at its September 14<sup>th</sup>, 2021.
- The Committee can deny the license if it finds the name to be offensive.
- The Committee can table the decision, or recommend the license with conditions it finds appropriate.

#### Additional Notes

- If the Committee decides to recommend a license conditionally and the conditions are approved by council, the license will be revoked and subsequently considered denied if the required conditions are not met or maintained..
- If the Committee denies the application, the applicant may appeal the denial by notifying the Clerk within 14 days of receiving the denial letter from the Clerk's office. The letter should state, in detail, why they think the denial should be reversed and specifically request an appeal hearing before the board. They will then be given the opportunity to address the Council at a future Common Council meeting and request reconsideration of the denial.
