Date: 02-28-17

Time: 0745Hrs

The Rock County Medical Examiner's Department is releasing the name of the pedestrian that died after being struck by a pickup truck in the City of Evansville on 09-26-17. The incident occurred at the intersection of Main Street and 4th Street and was reported to authorities at or about 10:02AM. The female pedestrian was transported to a local hospital and was pronounced dead a short time later. The pedestrian is identified as:

Cheryl A. MANI
65
Evansville, WI

A forensic autopsy was completed at the Dane County Medical Examiner's Office on 09-27-17. Preliminary results of that autopsy confirm that Ms. Mani's death is the result of injuries sustained in the crash. Additional testing is underway at this time.

This death remains under investigation by the City of Evansville Police Department and the Rock County Medical Examiner's Department.

This death remains under investigation by the
Department.
