

QUACKING TO BEGIN!

Quacking is a very important fundraiser for the Evansville Youth Center (EYC). The funds are used to provide a safe, fun environment for students with trips, snacks, and activities. Even though we announced it wasn't going to happen without the snowbanks, we are now able to send our ducks out to unsuspecting lawns.

This is how you can join in on the fun! To make a "quacking" donation:

- 1) \$10 donation will protect your lawn from a "quack attack." This duck insurance protects you from being quacked.
- 2) \$20 donation will have the ducks fly off your lawn after a week.
- 3) \$25 donation will send the flock of ducks to a lawn of your choice. Be sure to provide name and address of lawn to be quacked.

Please send your donation to the Evansville Youth Center at 209 S. First Street and thanks so much for your support.
