---	--

Every summer around 200-250 boys and girls, ages 4-9, participate in Evansville’s recreational baseball program. The program gives the kids an opportunity to learn baseball fundamentals as well as teamwork, sportsmanship, and fair play.

The Business Sponsorship/Advertising Program has been appreciated by players, coaches, and the businesses.

1. Individual Team sponsors (ages 4-6 T-ball & 6-9 Coach Pitch) \$125.
2. Approximately 20-25 team sponsors are needed. The number of teams depends on player registrations.
3. Business sponsors will be accepted on a first-come, first-served basis. We’ll keep a waiting list in case player registrations need more teams.
4. If you’d like to sponsor more than one team, let us know and we’ll add your name to the waiting list in case player registrations need more teams.
5. Money goes to reducing registration fees and purchasing equipment.
6. Local advertising at reasonable cost.
7. Community spirit and support for youth activity.

Sponsorship:

1. Heat transfer business name/logo in white (sorry no colors or multi-color) on t-shirt.
2. Caps– embroidered with business name.
3. Business to provide name/logo in EPS or PDF format, or we can use block lettering.
4. We’ll try to accommodate requests to have kids or grandkids placed on sponsored teams.
5. **DEADLINE** – we’d like sponsors by **April 3rd**.

Notice: Due to the limited number of players in the age 9+ category, the City has decided to no longer provide baseball to this age group but instead work with local youth baseball programs. Those children who wish to play competitively will have more opportunity to play in a fairer setting when mixed with a larger group of young players than what the City has been able to provide the last few years.

Thank you.
