Dear City of Evansville Resident,

Badgerland Disposal is proud to announce new curbside collection service for residents in the City of Evansville beginning in January, 2021. Badgerland Disposal will provide recycling and refuse collection for all residents. Under the new curbside collection program each resident will receive a new 95-gallon poly-cart for their recyclables and a 95-gallon poly-cart for their trash. Customers who prefer 35 or 65 gallon cart sizes for either trash and/or recyclables should contact Badgerland directly at townservice@badgerlanddisposal.com or **608-580-0580** BEFORE November 6, 2020 to request alternate size. **All containers will be delivered prior to your start date.**

Starting the first full week of January (see attached calendar), please roll the containers to the end of the driveway on collection day. Please do not use your containers prior to this date. **Containers should be placed 3 feet apart & 3 feet from any obstruction**, walking between containers is a good rule of thumb. Or, place one container on the left side of the driveway and the other container on the right. Please remember: **Red lid = Recycle. Your collection day will be Thursday. Feel free to contact us by calling 608-580-0580 or via email to townservice@badgerlanddisposal.com if you have any questions. Be sure to include your address when communicating with us to help expedite our customer service process to you.**

- To clean, simply rinse with water and let dry in the sunlight with the lid open,
- Do not place any unacceptable materials in the cart.
